

Christmas Caroling 2011

“The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’ Matt 25:40”

On Sunday, December 18th afternoon, Pastors Chan and Pang led the 36 of us representing Zion, Timothy, Emmanuel, Joseph, David and English Speaking fellowships, caroled at ManorCare and Chateau III senior facilities. Many had made it a family fair, with all members present.

Although, the audiences were less than the carolers at both facilities; and the hymns were sung less than perfect. But it was warmly received by the residences with applause. If you were with us; you would witness most seniors with tears streaming down their cheeks while listening. Some tried to join us praising the Lord’s birth with tearing eyes and mouth moving silently. One elderly lady in a

wheel chair was stuck in an elevator trying to reach the dining hall for the caroling. She was crying out loud in the elevator, fighting with the closing door repeatedly. One of us

had to get her out, and reassured her that she was not late for the caroling.

These are the folks either have no home to return, or cannot go home to celebrate Christmas with their love ones. Therefore, we shared the love of Christ with them, by telling/reminding them from the scriptures and hymns: that in order to save us from our sins; our almighty God has reincarnated as one of us mortals, and died on the cross for us. Perhaps, you too would like to share this great love of our Lord’s with the persons who needed the most. Come join us next year.

We wish you a blessed happy New Year.
